Curly brackets are also used to enclose editorial notes and changes made by the editors.

Parentheses are shown as they are found in the original minutes.

Blanks in the text are shown as they are found in the original minutes.

The spelling of names has been corrected wherever obvious misspellings have been found. Otherwise, the names are spelled as they appear in the minutes. Please note that sometimes several variations of the same name do occur.

Corrections and clarifications to people's names will be welcomed by the editorial staff. The goal is to make these minutes clear, accurate, and above all, useful to the reader.

T.E. Canaday, Clerk

The committee appointed to devise a plan for collecting the money for the current expenses of Winchester {Preparative} Meeting, met as arranged for, at Friends Church 8th month 12th day 1901, and after due consideration of the subject, thought it might be well, in view of the fact, that the expenses of our Meeting devolves upon far too small a proportion of the membership, and in view of the fact, that while such a condition exists, the spiritual life of the church suffers, aside from the minor fact of the embarrassment we are made to feel at times because of the lack of ready funds for the different lines of work and therefore propose

1st: to ratio each adult member, proportionately, after uniting under one head the lines such as Pastor's salary, Yearly Meeting stock, janitor's salary, heating, lighting, and incidentals.

2nd: and for the furthering of said plans deem it necessary that the list of membership be thoroughly gone over, and where names are found that should not remain for any cause whatsoever, such as uniting in membership with another denomination etc., they should be left out in the revised list, together with all such as had been properly visited or corresponded with, and who still do not desire to remain with us.

3rd: That such list of membership be kept in a book for that purpose solely and properly revised yearly. The committee respectfully submits this to the Preparative Meeting, asking, if the same should meet with its approval, that it appoint a committee for the purpose of making the membership ratio, after the list has been thoroughly canvassed by the Overseers together with the aid of the Pastor. – also that it appoint a Preparative Meeting Recorder, whose duty it shall be to have charge of said record book, and properly revise it yearly, that the necessity of paying Yearly Meeting stock on a larger list of names than are actual members, may be obviated. Also that the Preparative Meeting appoint two collectors or four as seems to be needed for the purpose of seeing that the money is collected monthly from each individual.

On behalf of the committee,

Franklin Moorman
